[Dr. Dre]

Journey with me  
Into the mind of a maniac  
Doomed to be a killer  
Since I came out the nutsac  
I'm in a murderous mindstate  
With a heart full of terror  
I see the devil in the mirror  
BUCK BUCK, Lights out  
Cause when I grab my sawed off  
Niggaz get hauled off (Ice Cube: haha barrel one)  
Touches your motherfuckin flesh (Ice Cube: barrel two)  
Shoots your fuckin heart out your chest  
You see I'm quick to let the hammer go click  
On my Tec-9 so if you try to wreck mine  
Fool it's your bad time  
Feel the blast of the chocolate bomber  
Infrared aimed at your head  
Like your name was Sarah Conner  
Decapitatin I ain't hesitatin  
To put you in the funeral home  
With a bullet in your dome  
I'm hot like lava  
You got a problem?  
I got a problem solver  
And his name is revolver  
It's like a deadly game of freeze tag  
I touch you with a 44 mag  
And your frozen inside a boddy bag  
Nobody iller  
Than this graveyard filler  
Cap peeler  
Cause I'm a Natural Born Killa

[Ice Cube]

Terror illustrates my era  
Now I can't hang around my momma  
Cause I scare her  
I'm quick to blast motherfucker  
(Dr. Dre: yeah what's up)

It feels like I'm bustin' a nut  
When I open you up  
Cause your body is exposed to the midnight mist  
All weak motherfuckers give my ring a kiss  
Cause I'm givin' dirt naps  
Comin with them bomb ass raps  
To make your lungs collapse  
Perhaps, you never sleep  
Cause every time you doze  
You catch blows to the motherfuckin nose  
Ain't seen the sun, in 66 days  
Let me count the ways in a fucked up maze  
I never ever ever made a ho stain  
But I'm down with Dre  
Like AC is down with OJ  
So fuck how your livin  
I'm the unforgivin  
Psycho driven  
Murdera  
It's authentic  
Don't panic  
I can't stand it  
God Damn it  
Scizophrenic  
So fuck Charlie Manson  
I'll snatch him out of his truck  
Hit 'em with a brick  
And I'm dancin

[RBX]

Mass Murderer, Natural Born Killla,  
And I don't wanna die  
I DON'T WANNA DIE  
I DON'T WANNA  
I DON'T WANNAAAAAAAAAAAAAAAAAAAAA DIE!

[Ice Cube]

I dont understand the logic in my dreams  
But I understand I like the sounds of sirens  
Terrified screams from the streams  
Of strychnine  
Dumpin on any motherfucker tryin to trick mine  
Cause punk motherfuckers wanna violate  
Now they stiff and cold  
And they pupils won't dilate  
IT'S SO MUCH PAIN  
MIGRAINE  
Headache  
I can hear his bones break  
He steps in the single door  
Got his ass whipped with 20 lashes

Like that dude up in Singapore  
So I'm a pull a fuckin Jeffrey Dahmer  
Now I'm suicidal, just like Nirvana

[Dr. Dre]  
Tic Toc  
Toc Tic Toc Tic  
Dr. Dre and Ice Cube on some murderous shit  
Keepin niggaz in order  
Makin their life shorter  
Ready to slaughter  
Cause to me a life ain't worth a quarter  
Or a dime  
Mushroom's got my mind  
Hallucinatin  
Ain't no debatin  
I'm creatin an escape  
Route to be out without a doubt  
Scot Free, so don't even think about tryin to stop me  
Cause I can't wait  
I'm out the gate  
On the for realla  
A thrilla  
Or a Natural Born Killa

[Ice Cube]  
Gi-Gi Gi-Gi Ga-Ga  
They call me Da-Da  
6 million ways to murder  
choose one  
Lose one soul  
Bodies turn cold  
Natural fright from niggaz goin bump in the night

Should I peely  
Should I kill her in my iller  
Then a Natural Born Killa  
\*repeats 3x\*
