[Dr. Dre]

Huh, so I'm out the game huh?

[Eminem]

Yo Dre, we ridin?

[Dr. Dre]

Whatever

[Eminem]

Well I'm witchu homie

[Dr. Dre]

Ok, Let's handle the small shit

[Eminem]

I was born to brew up storms, stir up shit

Kick up dust, cuss til I slur up spit

Grew up too quick, knew too much, been through too much shit

Corrupt and now I'ma pour it on like syrup, bitch

Thick n' rich, sick and twisted Mr. Buttersworth

Dre tole me to milk this shit for what it's worth

Till the cow just tilts and tips 'n stumbles to earth

And if I fumble a verse, keep going

First take, I make mistakes, just keep it

No punches, pull no punches, that's weak shit

Fake shit, if I ever take shit, I eat shit

Was it for him, Wouldn't be shit

[Dr. Dre]

Creep wit me, as we take a little trip down Memory Lane

Been in longer than anyone in the game

And I ain't got to lie about my age

[Eminem]

But what about Jermaine?

[Dr. Dre]

Fuck Jermaine, he don't belong speakin mine or

Timbaland's name

And don't think
I don't read your little interviews and see what your
sayin
I'ma giant, and I ain't gotta move till I'm provoked
When I see you, I'ma step on you and not even know it
Ya midget, Mini-Me, with a buncha little Mini-You's
Runnin around your backyard swimming pools
Over 80 million records sold
And I ain't had to do it with 10 or 11 year olds

CHORUS:

[Eminem]

Cuz what you say is what you say
Say what you say how you say it whenever you sayin it
Just remember how you said it when you was sprayin it
So who you playin with huh?(echoes)
repeat 1

[Eminem]-a
