Back when Cube - was rollin wit Lorenzo in a Benzo  
I was bangin wit a gang of instrumentals  
Got the pens and pencils, got down to business; but  
sometimes  
the business end of this shit can turn your friends  
against you  
But you was a real nigga, I could sense it in you  
I still remember the window of the car that you went  
through  
That's fucked up, but I'll never forget the shit we been  
through  
And I'ma do whatever it takes to convince you  
Cuz you my nigga Doc, and Eazy I'm still wit you  
Fuck the beef, nigga I miss you, and that's just bein  
real wit you  
You see the truth is Everybody wanna know how close  
me and Snoop is  
And who I'm still cool wit Then I got these fake-ass  
niggaz I first drew with  
Claimin that they non-violent, talkin like they \*voice  
sample\*  
Spit venom in interviews, speakin on reunions  
Move units, then talk shit and we can do this  
Until then - I ain't even speakin your name  
Just keep my name outta yo' mouth and we can keep it  
the same  
Nigga, it ain't that I'm too big to listen to the rumors  
It's just that I'm too damn big to pay attention to  
'em That's the difference

Chorus: Phish (repeat 2X) What's the difference  
between me and you?

You talk a good one - but you don't do what you  
supposed to do

I act on what I feel and never deal wit emotions  
I'm used to livin big dog style and straight coastin

[Xzibit]

Yo I stay wit it

While you try to perpetrate, play wit it

Never knew about the next level until Dre did it (YEAH)

I stay committed while you motherfuckers baby-sitted  
I smash you critics like a overhand right from Riddick  
(Yeah!) Come and get it, shitted on villians by the  
millions  
I be catchin bitches while bitches be catchin feelings  
So what the fuc
