PIA MIA - The Last Man On Earth lyrics

Send "The Last Man On Earth" Ringtone to your Cell

A first kiss standing on the pier  
My heart raced, you made time stand still  
I'd let the stars fall down as long as I had you

Carved our names into the sand  
As you took my dreams in your hands  
I'd never find another who could fill your shoes

Through all the wrongs and our mistakes  
Through all the rumors that we face  
When everyone has turned their backs  
My first love will be my last (last, last, last...)

You're gonna be the last man on Earth  
Through the storm we'll make it work  
No other one will have my heart quite like you  
Uh-oh, oh oh oh

It's gonna be you by my side  
Promise me you'll never say goodbye  
Till the end, you will be first  
The last man on Earth

Don't want the voice of someone else  
Telling me they'd catch me if I fell  
'Cause in your arms you make the others fade to black

How you brush your fingers through my hair  
How you wipe away my every tear  
Can't teach another how to love me like that

Through all the wrongs and our mistakes  
Through all the rumors that we face  
When everyone has turned their backs  
My first love will be my last! Oh!

You're gonna be the last man on Earth  
Through the stor we'll make it work  
No other one will have my heart quite like you  
Uh-oh, oh oh oh

It's gonna be you by my side  
Promise me you'll never say goodbye  
Till the end, you will be first  
The last man on Earth

Whoa whoa whoa  
The last man on Earth  
Whoa whoa whoa  
The last man on Earth  
Whoa whoa whoa  
The last man on Earth...  
The last man on Earth

Just you and me  
That's how it's supposed to be  
When everyone has turned their backs  
My first love will be my last!

You're gonna be the last man on Earth  
(Ooooooooooooooh...)  
Through the stor we'll make it work  
(Ooooh oooooohhhhhh...)  
No other one will have my heart quite like you

(No! No, baby!)  
Uh-oh, oh oh oh  
It's gonna be you by my side  
(You by my side!)  
Promise me you'll never say goodbye  
(Ooh, ooh!)  
Till the end, you will be first  
(First, first! Ooh!)  
The last man on Earth

Whoa whoa whoa  
The last man on Earth  
Whoa whoa whoa  
The last man on Earth  
Whoa whoa whoa  
The last man on Earth...  
The last man on Earth

Whoa whoa whoa  
(Whoa whoa whoa whoa)  
The last man on Earth  
Whoa whoa whoa  
The last man on Earth  
Whoa whoa whoa  
(Whoa whoa whoa whoa)  
The last man on Earth...  
The last man on Earth

Whoa whoa whoa  
The last man on Earth...
