I've been doing this for too long to keep  
Singing the same song  
This is another one of those happy moments not made  
for anyone  
I don't rap in bumper stickers, I'm witty with 40-liners  
Every breath is a chorus, sing along if you're still  
breathing  
I've got gods, I've got issues  
Nowadays I've learned to not criticize  
Ever seen my foot-in-mouth stance I'm a g walking  
Broken token, something of little appreciation  
To truly see where all of this aggression stems from  
You gotta always play the nice guy and get shitted on  
Everyday's a gavin convention with no one to see  
Everyday they put up new doors and I don't want the  
keys  
If I'm not getting black-balled I'm getting white-boyed  
You can condescend me but you can't offend me  
I'm sure i'll get all the secret codes  
When showing love to sole becomes trendy  
Poor me, I dig myself holes  
Somebody marry me, I'm getting old  
Somebody remind me why I continue to press on  
I need a flamingo to put on my front lawn, I need a  
front lawn  
I need to stop feeling sorry for myself  
I need to stop repeating myself  
Everything is fading slowly  
No longer selling out, I'm buying in  
Redefining my grin  
Making new medicine and now I'm sick of it all  
But I can't get enough. hating females less  
Accepting the fact I'm slowly dying  
And can't make any songs that glitter  
Or be happy in a roller skating rink  
So fuck the revolution, it's all about starcraft  
Palm-pilots, and meaning what you say  
So if you don't understand it, I can't explain it  
And if you don't understand it, I can't explain it  
If you don't understand it, I can't explain it  
Picture perfect, picture perfect picture-
