{Holy Virgin Mary Buy my Sperm}

If you want and have the wealth to be free  
Maybe I can help you make another me  
Many things are possible and equally expensive  
A comfort for old age the advantage is extensive  
I don't do visits but my nurses do  
Call them anytime and they get back to you  
It's true what I'm telling you get best  
My cells make the biggest price in the West  
Healthy intellectual, well-built, writing verse  
Good with people, clean, talent for commerce  
So nice and caring you'll get everything you need  
Credit card accepted for 5000 seed  
The A-bomb was a product of excellent sperm  
Next genocide courtesy of my firm
