[C:] One day I'll return with another man's clothes  
One day I'll return with another man's name  
[L:] I am all alone  
Existence has no friends  
I feel the emotion that never ends  
[L & C:] I'm sleeping on the edge of a knife  
Don't wake me up from the meaning of my life  
There never were equality and freedom  
In a world of individuals there is only boredom  
[C:] There is lust in all repentance  
And remorse in all desire [x 2]  
[L:] I want to dissolve myself and to unify  
With stupid ideals that are but a lie  
To rid myself of what belongs to me  
But I remain an I that talks about an I  
See?  
I fear the fatigue of the love that went  
Down the drain without asking for my consent  
Loved one  
I miss you too much  
The way you gave me the healing touch  
[L & C:] There is no kindness  
Only desire  
There is no kindness  
Only desire  
[C:] The grand devouring fucking fire  
The grand devouring fucking fire  
No kindness around me  
Only fire  
The grand devouring fucking fire  
[L:] There is no kindness  
Only desire  
There is no kindness  
Only desire  
The grand devouring fucking fire  
The grand devouring fucking fire  
No kindness around me  
Only fire  
The grand devouring fucking fire  
[C:] I fear the fatigue of the love that went  
Down the drain without asking for my consent  
Loved one

I miss you too much  
The way you gave me the healing touch  
There is no kindness  
Only desire  
No kindness around me  
Only fire  
That rips up every truth and leaves it a lie  
That beats me asunder and makes me want to die  
[L:] Without any reason  
Because I have it all  
That might be why  
Cannot climb  
Only  
[L & C:] Fall!
