Oooh-o, ooh yeah
aaa-aah ooh

i am dancing with an angel, feeling like a god
caouse i'm here with you
my love is strong enough to hold you
if you're gonna fall, i'll be there it's true
i am waiting
for you baby
come back into my life again, ooh yeah yeah
lonely days, lonely nights
will never come again
will never come again, no

[rap]

...

i am dancing with an angel, feeling like a god
caouse i'm here with you
my love is strong enough to hold you
if you're gonna fall, i'll be there it's true
i am waiting
for you baby
come back into my life again, ooh yeah yeah
lonely days, lonely nights
will never come again
will never come again, no

i've been, waiting, such a long time
i've been, waiting for you
i've been waiting, such a long time
i've been waiting for you

[rap]

express yourself in the right way
and you will feel love any day
it's not just another lameass game
where you can be the judge on who to blame
it's a lot of things to keep in mind
to be sweet, tender and all so kind
so if you wanna feel this true affection

be ready, for the love injection

i am dancing with an angel, feeling like a god
caouse i'm here with you
my love is strong enough to hold you
if you're gonna fall, i'll be there it's true
i am waiting
for you baby
come back into my life again, ooh yeah yeah
lonely days, lonely nights
will never come again
will never come again, no

i've been, waiting, such a long time
i've been, waiting for you
i've been waiting, such a long time
i've been waiting for you
