(J.Skinner/V.Renn)

I had a heart so close to breaking
You came along in time to save it
I never believed in happy endings
No storybook for me was made
But you gave me love - you gave me hope
You showed me how to live again
And if I try - from now 'til I die
I could never repay you

Chorus:

And if the sun the moon the stars
Fall from the skies
Or should the rivers cease to flow
From mountains high
I'd still be loving you - Forever I do
I know it sounds crazy but I
Never thought I'd see
The day someone would find the
Love that lies in me
But darling you - found the truth
Gave so much love to a girl
You are the center - the light of my world

Chorus:

When the sun the moon the stars
Fall from the skies
Or if the rivers cease to flow
From mountains high
I'd still be loving you - Forever I do

Bridge:

No love as right as ours - none
Shines as bright as ours
The world I'd fight for us - I live and die
For us

Chorus
