Chorus:

I want you to want me

For all that I am

I hope that you will try to understand

Do you feel the same (repeat)

I want you to want me

For all that I am

And I'll never leave you behind

I want you to be by my side

You're always on my mind

Baby am I the only

We've got to stop this game

Tell me do you feel the same

Chorus

Now take a good look

What you see is for real

You know I've got nothing to hide

The way that I am is the way

That I feel for you now

Baby am I the only

We've got to stop this game

Tell me do you feel the same

Chorus

Everybody knows that I need you

There ain't nothin' in the world I wouldn't do

Please understand this what I am

Chorus (2x)
