(Topham/Twigg)

You've got the flava (4x)

Here we go

Maybe the room was right

Maybe you're just the type

To break my heart and throw all
the pieces away

Maybe I'll never learn

Maybe I'll just get burned

I've got to find out anyway

Bridge:

So, let's get it on

Oh, you know just what I want

I can't wait a single moment longer

We can take our time

'Cause I feel the time is right

For me to get freaky with you

Chorus:

Boy, you got that flava

I can almost taste ya

I know it's crazy but there's
nothing I can do

Boy, you're blowin' my mind

You got that swing

You're so fine

I know it's crazy but I'm crazy for you

You got the flava (3x)

I just wanna taste ya

Now I like the way you move

And I like your attitude

It's plain to see all the
freakiness about you

You put me in a trance just by
the way you dance

I can't help it all I want is you

Bridge

Chorus

Boy I gotta get you out of my mind

I can't hide how I feel inside

Yeah you got it goin' on

And the flava is strong

(2x)

You got the flava
Bridge
Chorus
