I fell in love with you
I don't even know what it is man

Funny feeling going through my heart
Felt it from the very start
I saw you, you saw me
Then it was all from there
Straight blushing face was red
It was something about the things you said
Thoughts was crazy in my head
Ain't no other chick got me like this

Thought I should let you know
About my feelings on the low
(cutie) I got it for ya
And I'll never leave ya
(I'm your boo and I'm here to please ya)
You put it on me for-real
I swear this heres I'm-real
(baby this is how I feel)
Can you here me though
Let me tell you how I feel oh girl

Got me opened-
On your loving-
I don't know what to do
But to say I'm into you
I'm opened- on your loving (ooh-a)
I don't know what to do but to say (just say I'm yours)

Now I got you in my life (my life)
Things is cool now I'm alright (I'm alright)
I love you (you love me)
There's no place I rather be here than with you
Be there to hold you tight
Be there to beat it up all night
Girl I just wanna let you know...

Thought I should let you know
About my feelings on the low
(shawty) I got it for ya

And I'll never leave ya
(I'm your boo and I'm here to please you)
You put it on me for-real
I swear this heres I'm-real
(baby this is how I feel)
Can you here me though
Let me tell you how I feel oh girl

Got me opened-
On your loving-
I don't know what to do
But to say I'm into you
I'm opened- on your loving (ooh-a)
I don't know what to do but to say (just say I'm yours)

I got your back through it all
Hold you down you'll never fall
(girl you ain't gotta never want for nothing no)
Baby girl you can count on me
I'll be everything you need
As long as you put your trust in me girl

Got me opened-
On your loving-
I don't know what to do
But to say I'm into you
I'm opened- on your loving (ooh wa)
I don't know what to do but to say (just say I'm yours)

Got me opened(I'm opened)
On your loving(on your loving yea,)
I don't know what to do
But to say (I don't know what to do, but to say)
I'm in love with you
I'm opened(yea)-on your loving(ooh-a)
I don't know what to do
But to say (I don't know what to do
And I don't know what to say) just say I'm yours
Got me opened- on your loving (yea)
I don't know what to do (don't know what to do; don't
know what to say)
But to say I'm into you- I'm opened on your loving
