(K.Sanders/H.Nitsch)
Chorus:
C'mon, come and get it baby
If you really want this, babe
C'mon and get it yourself
You know that you can't deny it
In your heart you wanna try it
C'mon and get it yourself
Boy, since I've been seeing you
you're the only thing on my mind
I contemplate what to do
You're everything that I want to find
You're telling me that you are confused
You say you wanna love me without being used
Baby, you can give it away
I can guarantee you that I'm here to stay
Bridge:
I won't waste you're time
You can believe me
My heart is right here
I don't want nobody else
So baby come and get it yourself
Chorus
I know all about your lies
And all the other games that you play
You'll never be hurt by me
There'll be no broken-promisin' me
Baby let your feelings go
If you never try it then you'll never know
Just open up to understand
How much I can love you
Can you be a man?
Bridge
Chorus
Rap: Ooh I got a situation
Baby needs love and a demonstration
That's for sure I don't want nobody else
So baby come and get it yourself
You can come and get it yourself
Come on and get it yourself
Chorus
