Slide

Guess I was, guess I was careless  
I didn't see her slide  
I didn't see her fade away before my eyes  
Cause I was careless  
And it was just another line  
And I thought that if I closed my eyes, she'd be fine

Come to me, come home to me  
Cause I can't do without you  
Don't let this, don't let this be  
I let her slide  
I didn't see her slide

Guess we were, guess we were careless  
Not that we didn't care  
Not that we didn't have hope or joy enough to share  
But we were careless  
And life was moving fast  
And we thought that if we closed our eyes, it would last

Come to me, come home to me  
Cause I can't do without you  
Don't let this, don't let this be  
I let her slide, I didn't catch her  
I closed my eyes  
I didn't see her slide  
I didn't see her fade  
I never had the chance to try to make it okay

Come to me, come home to me  
Don't let this, don't let this be  
I let her slide, I didn't catch her  
I closed my eyes  
I didn't see her slide  
I didn't see her fade  
I never had the chance to try to make it okay  
I didn't see her slide  
I didn't see her fade  
I didn't, I didn't see her slide
