[Tragedy Khadafi] Mahdi Khadafi all Haile Selassie
Federal Agents is flagrant trying to knock me Merge
from the block, cooked up coke and rocks be It Takes a
Nation of Millions to Hold Us Back America fears the
planet that's consumed by blacks Cointele pro crucifier
Black Messiah Flyest attire neva snitch neva wear a
wire Deep as the abyss, struggle for peace The street
enlightener, heart of a ridah Soul of a freedom fighter
'71 Attica riots, so nighter What I write excites the
hood, the streets in hell Double-life niggas locked in jail
Whether heaven or hell comrade prevail I spit it Godly,
genetically is in my melanin Predicate felon to enemy
shots I'm sending A legend like Bob Marley when I'm
reciting this venom
