Calling ohhhh  
Everybody's dancing ohhhh  
Falling ohhhh  
Everybody's dancing ohhhh

Waking up to smell the bacon  
Ah, I feel amazing  
Why? We on vacation  
Such a sweet occasion  
My day's sunny side up  
High tops, laced 'em  
We don't give a fuck  
Cuz we got no penitence  
And we love our beats as we all hit the streets  
And we all wanna jam and we never wanna leave  
Some may just wanna drink  
And the others got they tree  
.. wonder why we do it  
Why? We living free  
So sit on back and enjoy the show  
Y'all got the beats and I got the flow  
I got the drinks and y'all got the blow  
Woah, I'm just kidding  
I'm a little drunk  
Get a little sitic  
Sitting pool side  
wishing for a milli  
Dudes looking fly  
My girl's looking pretty

Calling ohhhh  
Everybody's dancing ohhhh  
Falling ohhhh  
Everybody's dancing ohhhh
