[Chorus:]

It's such a shame, how you lie in his arms.

Then you cry how he's done you wrong.

I don't know what to do, Ooo girl, hey.

(Mmmm)

All my life, I have been waiting to love someone just like you.

The moment I looked in your eyes I knew that dreams come true.

Cause you belong to somebody else, and he's not treating you right (he's

Not treating you right).

Give me a chance to prove myself, and my love will change your life.

[Chorus:]

It's such a shame, how you lie in his arms.

Then you cry how he's done you wrong.

I don't know what to do, Ooo girl, hey.

It's alright, but making a change is hard for a heart to do. (yeah)

So every night, on my knees, I pray you'll find the strength (you need) to

Make that move.

My phone will ring and you'll say that you're mine.

And I'll come running to you (and I'll come running to you).

It's such a crime to (such a crime) waste this precious time (my time).

And girl don't turn you back on a feeling so true.

[Chorus:]

It's such a shame, (whoa) how you lie in his arms.

(Then you) Then (then you cry) you cry how he's done you wrong. (ooo)

I don't know what to do, Ooo girl, hey.

It's such a shame (such a shame how yea), how you lie in his arms.

Then you cry how he's done you wrong.  
I don't know what to do (I don't know what to do), Ooo  
girl, (no) hey.

(Sing it one time solo, for me)  
Spending all my nights, toss and turnin' baby.  
(I can't hear you, ooo)  
I won't give you up (won't give you up), till I have your  
love. (till I  
Have I have your love.)  
This heart of mine (this heart of mine) is burnin' baby  
(burnin' baby).  
(Oo) surrender, give me your love.

[Chorus:]  
It's such a shame, (ooo, baby) how you lie in his arms.  
(Then you) Then (then you cry) you cry how he's done  
you wrong. (how he's  
Done you wrong)  
I don't know what to do (I don't know what to do, no),  
Ooo (I say a prayer  
For you at night) girl, hey.  
(Hopes that you will see the light, baby)  
It's such a shame (shame), how you lie (no he don't  
love you) in his arms.  
(By a change) Then you cry (and when he hurts you  
baby) how he's done you  
Wrong. (you've only got yourself to blame)  
I don't know (I don't know what to do, yea) what to do,  
Ooo girl, hey.  
(Hey)

It's such a (shame) shame (it's such a shame baby),  
how you lie (how you  
Lie in) in his arms (in his arms).  
Then you (then yea) cry (cry) how he's done you (that  
he keeps on doing you  
Wrong) wrong.  
I don't know what (I don't know what to do) to do, Ooo  
girl (I don't know  
What to do), hey.  
(I'm beggin', I'm beggin' you girl)

It's such a shame, how you lie in his arms.  
Then you cry how he's done you wrong.  
I don't know what to do, Ooo girl, hey.  
Song fades out.
