"Wonderful World"

I see trees that are green red roses, too
I watch them bloom for me and you
And I think to myself what a wonderful world

I hear babies cry and I watch them grow
And they learn much more than I ever know
And I think to myself, oh, what a wonderful world

The colors of the rainbow so pretty in the sky
Are also on the faces of the people passing by
I see friends shaking hands, saying "how do you do?"
But they really say, "I love you."

I see trees that are green and red roses, too
I watch them bloom for me and you
And I think to myself, oh, what a wonderful world

The colors of the rainbow so pretty in the sky
Are also on the faces of the people passing by
I see friends shaking hands, saying "how do you do?"
But they really say, "I love you."

I see trees of green and red roses, to.o
I watch them bloom for me and you
And I think to myself, what a wonderful world
I think to myself, oooh, what a wonderful world
