Chorus

She got to go up and down
Like Mary go round I swear she got you losing your
mind
And if you seen her
Boy if you seen her
You swear I am wasting my time
We are going up and down like Mary go round
Man I swear I am out of my mind
She got me going up and down like Mary go round
Man I swear I am out of my mind my mind

I met this girl she is so seductive
She got me going going out of my mind

I met this girl she is so seductive
She got me going going out of my mind
My brother tell me please... and don't even try
And then she walked into me tell me do I look like a...
To love and leave him to touch and... him
I told her baby listen baby I got to... down

Chorus

She got to go up and down
Like Mary go round I swear she got you losing your
mind
And if you seen her
Boy if you seen her
You swear I am wasting my time
We are going up and down like Mary go round
Man I swear I am out of my mind
She got me going up and down like Mary go round
Man I swear I am out of my mind my mind

Shorty tell me about the mini mani mo lover
I never thought that I will ever run to another
Kind of girl that is to... she got me going going out of
my mind
I swear... wind I don't know why am I getting this fun

I don't know why I am feeling this way
I swear... wind I don't know why am I getting this fun
Can't explain why I am feeling this way

She got me going up and down like Mary go round
Man I swear I am out of my mind my mind
