"A Special Christmas Day"

To the shopping mall we go
What you want just let me know
I want to get to know you better
What a special day

All the good things in store
Give you what you want and more
I want to get to know you better
What a special day

You are the one I adore
Come on and shop some more
I want to get to know you better
What a special day

Lets go and celebrate tonight
Cause you know things are right
This Christmas is what I had in sight
Now I know you better
What a special Christmas day
