It's been a long time  
Since I've seen you babe  
I want to see you again  
But yet you're so far away  
From me

You're far away  
Yet you're so far away

You're so far away from me  
But the closer I will be  
To you, so true  
Come see me sometime  
Or I'll come see you  
That's what I'll do

You're far away  
Yet, you're so far away

So we rise to the occasion  
And we plan this liason  
And a lot of catching up for you  
What else is a man to do  
For you

You're far away  
Yet, you're so far away
