For you I'll bring a life of joy
I'll bring you joy and much more
With you is where I'll rather be

For you there's endless nights
Always count on good things in sight
With you is all I see

I will do all these things for you
There's nothing else I'll rather do
Only for you
Just for you

Just for you a lifetime of memories
That are good and will always be
With you is where I'll be
With you

Just for you more time and endless days
Good days with you that always pays
A good day coming through
With you
Only you

I will do all these for you
There's nothing else I'll rather do for you
Only for you
Just for you

Good things with you is all I see
I'll bring you back home with me
And settle down for a while
I'm really liking your style

Come and kick back with me
This is like a gallery
To your smile

I will do all these things for you
There's nothing else I'll rather do
Only for you

Just for you
