"Gonna Celebrate Your Birthday"

Tonight we're gonna celebrate your birthday
Tonight we're gonna celebrate your birthday

It is gonna be a never ending time
It seems to be a birthday all right
Let's party tonight
Gonna party with you all night
Just do what ever you like
And celebrate nthis birthday tonight

Tonight we're gonna celebrate your birthday
Tonight we're gonna celebrate your birthday
It only comes once a year
Come on and celebrate

It's your birthday tonight
This is your day, let's make it right
This day is for you, one time this year
Make your birthday worth your time and celebrate
tonight
It's going to be alright
Come on and celebrate

Tonight we're gonna celebrate your birthday
Tonight we're gonna celebrate your birthday
It only comes once a year
Come on and celebrate
