The day is gone  
Swept my sunshine away  
Let go of my sunshine  
The day is gone  
You're not alone

Oh good day  
Oh good day  
Bring me a good day

Oh good day  
Oh good day  
Bring me a good day

The river's crying  
Waterfalls are falling  
The night is lying  
Rain is on the night sky  
Bring back the days  
I see the light

Oh good day  
Oh good day  
Bring me a good day

Oh good day  
Oh good day  
Bring me a good day

I see shining stars  
Stars are falling the night sky  
Bring me better days  
Better days are calling  
Shadows of night are falling  
Better times are coming

Oh good day  
Oh good day  
Bring me a good day

Oh good day

Oh good day  
Bring me a good day

The night is swept away  
Bringing better days  
The sunshine is coming  
Sunshine is here  
I got my sunshine  
Better days are shining  
It's here

Oh good day  
Oh good day  
Bring me a good day

Oh good day  
Oh good day  
Bring me a good day

My sunshine is back
