We're gonna rock the party tonight  
We're rock and do it right  
There's no time to waste  
The party is a party today  
C'mon let's rock tonight

The party is rockin like those heavenly eyes  
We can touch the sky like those heels so high  
The party is rockin like those heavenly eyes  
We can touch the sky like those heels so high

The party is rockin like there's no time to lose  
We're gonna do whatever we choose  
Let's keep this between me and you  
The party is a party today  
Come on and do it my way

The party is rockin like those heavenly eyes  
We can touch the sky like those heels so high  
The party is rockin like those heavenly eyes  
We can touch the sky like those heels so high

We're gonna rock the party tonight  
We're gonna rock and do it right  
There's no time to waste  
The party is a party today  
Come on let's rock tonight

The party is rockin like those heavenly eyes  
We can touch the sky like those heels so high  
The party is rockin like those heavenly eyes  
We can touch the sky like those heels so high
