Forget all the hard times we had
No need to get a little mad
The situation a little sad
I'll be back for ya baby

We will make this a little more
Make this happen c'mon and score
You are the only one I do for
I'll be back for ya baby

You are the only friend I have
You are the only one I trust
Yes, this is true and a must
I'll be back for ya baby

We will be through this for sure
Avoid all the bad that lure
This is real and not a lust
I'll be back for ya baby

I'll be back for ya baby

I'll be back for ya baby
