It's all about you  
It's all about you  
Just feel free  
Good things come to you

It's all about you  
It's all about you

Some people are kind  
Some people are not  
Some are nice  
Others pay the price  
Just feel free  
And think about peace  
Make sure you're true  
It's all about the truth

It's all about you  
It's all about you  
Just feel free  
Good things come to you

It's all about you  
It's all about you

Tell the truth  
The truth will set you free  
Can you see  
It's all about peace  
Just be kind  
Good things you will find  
Just feel free  
You see it's coming down on me

It's all about you  
It's all about you  
Just feel free  
Good things come to you

It's all about you  
It's all about you
