When things are not going right  
Thongs come true to sight  
You learn from your mistakes  
Be true for goodness sake  
Only time will tell  
Wish your days to be well  
It's all up to you  
Do all that you can do

It's all up to you  
It's all up to you  
It's not gonna be the same

It's all up to you  
It's all up to you  
You're gonna have to make a change

Keep moving on  
On to a better place  
A better life to face  
Replacing all that you've lost  
Even the things not of cost  
On to a new beginning  
A better day, a better way intending  
You're the only one to see

It's all up to you  
It's all up to you  
It's not gonna be the same

It's all up to you  
It's all up to you  
You're gonna have to make a change

You are the only one to see  
The only one to be  
That someone you want to  
That someone that's only you  
Be all that you can  
Be your number one fan  
You will like all that's arriving

Just keep thriving

It's all up to you  
It's all up to you  
It's not gonna be the same

It's all up to you  
It's all up to you  
You're gonna have to make a change

It's all up to you
