"It's Christmas Time"

It's now the season for giving
Enjoy the life you are living
With those who you care
Liking those special moments
That last forever in your life
Christmas is a time to share those memories

It's Christmas time
It's Christmas time
I'm so glad it's Christmas time

It's the season for a white Christmas
Snow flakes falling from the sky
From far above, from so high
People feel Christmas air with a chill
Enjoying the weather at will
This is a season like no other

It's Christmas time
It's Christmas time
I'm so glad it's Christmas time
Merry Christmas and a happy New Year
