Come on lets rock tonite
Lets rock the party down
We're gonna be up all nite
Come on and rock this party right
Tonite is the nite

Come on lets rock tonite
Come on and rock this party right
Come on lets rock tonite
Gonna be up all nite

Lets make the rhythm ring free
Gonna be a party spree
Move to the rhythm, get down
Get down to this beat with me
Rockin this party is all I see

Come on lets rock tonite
Come on and rock this party right
Come on lets rock tonite
Gonna be up all nite

This nite will never end
Tonite it's me, your friend
Come on and lets get funky
It's gonna be me and you tonite
Until the break of dawn is in sight

Come on lets rock tonite
Come on and rock this party right
Come on lets rock tonite
Gonna be up all nite
