I try to be the best I can be
Be all of the man I should be
Along with the rest of me
Trying hard all of the time
There for you like the drop of a dime
A piece of the price you have to pay
To be together with you
For the rest of the day
A piece of my love is what you'll get

Love is what you ask for
Love is what you ask for
Love is what you ask for

I have a whole lot to give
Keeping the good life we live
From those special times past
These precious moments will last
Taking the bad along with the good
Doing all that I should
This is like an invitation to you
I'm not asking a whole lot from you
Just ride with me

Love is what you ask for
Love is what you ask for
Love is what you ask for
