All I Really need in life is you
All the good times will come thru
All I need is your time
And to comfort you, be mine

There's no need to stop coming
There's no need to stop smiling
No need to stop caring
You're mine

Caring for you is all I wanna do
I ask the same from you
So we see eye to eye
There will be no long goodbye

There's no need to stop coming
There's no need to stop smiling
No need to stop caring
You're mine

If I'm friendly wiyh you
All I ask is you friendly with me
If you need time, that's fine
You're everything to me, stay kind

There's no need to stop coming
There's no need to stop smiling
No need to stop caring
You're mine
