I'm ready for a good relation
Ready for a a sweet vacation
Get you in the mood
For this groove
I thought would be
You know it's true
My love is for you
A relationship to last and could be

I thought it would be
You thought it could be
But know we see
Just how it should be

A sweet sensation
So good, you just can't get enough
A sweet sensation

Come on, let's go, there's more, don't be lazy
We've only just begun
I know it sounds crazy
But you can trust me
All this love is for you
Just be true
Just enjoy me and yourself
More like a good relation

I thought it would be
You thought it could be
But know we see
Just how it should be

A sweet sensation
So good, you just can't get enough
A sweet sensation

A sweet sensation

A sweet sensation

You know it's true

A sweet sensation with you
