"The Best In Me"

You now found the best in me
You now found the best in me
You now found the best in me

Let me make this day a great day
Along with the best in me
Celebrate the best with the rest
How good would it be
Just come along and have some fun
There's a lot to be done

You now found the rest to be
You now found the rest to be
You now found the rest to be
You now found the rest to be

Let's have a little fun in the sun
Along with the rest to be done
Come along with me baby
And enjoy this day in the sun
You now found me and the rest
Let's make this day our best

You now found the rest to be
You now found the rest to be
You now found the rest to be
You now found the rest to be

The rest to be with me baby
