The way you move your body
Now I can see
Spend a little time baby
Come dance with me
Into the floor baby
So Graciously
Come into the spotlight baby
Come on a move with me

The way you move your body
Come dance with me
The way you move your body
Come on and dance with me

Come and groove with me lady
Come groove with me
Spend a little time lady
Yeah! It's for free
This night baby
Yeah! It's meant to be
Me plus you baby
Now I plainly see

The way you move your body
Come on and move with me
The way you move your body
Come on and dance with me
