This time  
We're gonna make it though  
The hardship and we're gonna  
Make it better  
Just keep trying  
I'm sure it's satisfying  
Just try

This time  
We're gonna make it much better  
We're gonna make it  
This time  
Just keep striving  
It's satisfying  
This time we're gonna make it

This time  
We're gonna make it  
Thru the hardships  
We're gonna make it better  
Just keep striving  
It's satisfying  
Just keep trying

This time  
We're gonna make it much better  
We're gonna make it  
This time  
Just keep striving  
It's satisfying  
This time we're gonna make it

This time we're gonna make it through
