I see you there
I see you there
You are looking good to me

Come with me
Come with me
You'll be there with me

In a few
In a few
We 'll be there low key

Walk away
Walk away
Walk away with me

Walk away
Walk away
Walk away you'll see

Walk away
Walk away
Walk away with me

Walk away
Walk away
Walk away you'll see

Girl you are the one for me
Just set your body free
Come and walk with me
Just come along and see

It is time
It is time
Walk with me you're mine

Just be true
Just be true
I'll be true to you

There's a lot to do
A lot to do
Tonight it'll be me and you

Walk away
Walk away
Walk away with me

Walk away
Walk away
Walk away you'll see

Walk away
Walk away
Walk away with me

Walk away
Walk away
Walk away you'll see

Girl you are the one for me
Just set your body free
Come and walk with me
Just come along and see

Just walk away with me
