We've come a long way
We've been all the way
We've had someday
Did it all in the same day

Done all that we like
Everything in sight
Hung out all night
And again tonight

You know, and you know that
I know, and I know that
We are meant to be

You know, and you know that
I know, and I know that
We are meant to be

You know, and you know that
I know, and I know that
We are meant to be

We've spent a lot of time
And a lot of dimes
Enjoying good times
Together we shine

Let's enjoy this ride
In time we'll reside
Right by our sides
Together me and you so true

You know, and you know that
I know, and I know that
We are meant to be

You know, and you know that
I know, and I know that
We are meant to be

You know, and you know that

I know, and I know that
We are meant to be

We are meant to be

We are meant to be
