I know, when it rains  
It's not the same  
There's no one to blame

You know, there's no one but you  
There's no other you  
It is the truth

I've been, through hard ache and pain  
Through bad days and fame  
But to you I came

You know, just what to do  
There's no other clue  
It's just me and you

I know, when it rains  
It's not the same  
There's no one to blame

I know, when it rains  
It's not the same  
There's no one to blame

But with time, good times will find  
Things will be kind  
The rain will be blind

Sunny days, speaks the truth  
The light will come through  
The truth is for you

There is no more, hard ache and pain  
There's no reason to blame  
Hard ache is lame

I know, when it rains  
It's not the same  
There's no one to blame

I know, when it rains

It's not the same  
There's no one to blame
