How have you been pretty lady
Tell me what's on your mind
You are looking so proud
Just come and speak loud
You are so in the mood
With a lot of good things to hear
I wanna see you smile

You are my lady when you smile
You are a true lady to me
Even when you smile

Hey pretty lady
Tell me what you wanna do
Let's go out for a while
You are looking so proud
Just come and speak loud
You are so in the mood
With a lot of good things to hear
I wanna see you smile

You are my lady when you smile
You are a true lady to me
Even when you smile

I wanna see you smile
You are my lady when you smile
You are a true lady to me
Even when you smile
