We've been knowing each other
For a long while now
We've had our rainy days
And our good days
We both know we can last
We've been through the storm
We've been in a sunny day in heaven
We know we are meant to be

You'll be mine
You'll be mine
You'll be mine
You'll be mine
Just you and me is all it takes
You'll be mine

It's time for us to be
It will be a dream together for you and me
A dream of happiness and forever
A true life together
Me and you forever
We'll take our time on this journey
Make this worth our time
You will soon be mine

You'll be mine
You'll be mine
You'll be mine
You'll be mine
Just you and me is all it takes
You'll be mine

This journey will be a pathway to success
Along with me, you, and the rest... to be
Will you be my lady
Tell me if, when and maybe
You are always true to me
I'm always true to you
Let's make this happen
You will soon be mine

You'll be mine
You'll be mine
You'll be mine
You'll be mine
Just you and me is all it takes
You'll be mine
