I like it anyways
Do you really think crime pays
No
Hello
Cause I like that
Go for what you know
Get it like that

Cause you're right if you like it
Cause You're right if you like it

Gonna happen anyway
Make today another day
Happy holiday
Yes
Gonna make it anyway
Never stopping, you in my way
Move, c'mon let me through
Is it me or you
I see, I see
C'mon and see me through

Cause you're right if you like it
Cause you're right if you like it
