[Hook x4]

I had to get her right  
That pussy changed my life (straight up)  
That pussy changed my life (straight up)  
That pussy changed my life (straight up)

[Verse 1]

Wake up in the morning  
Throwin on them Nikes  
Runnin through that check  
Shout my nigga Phil Knight  
Oreos in Oregon State  
Pop twenty pills in the night  
Goin a thousand miles in another state  
They ain't oreos but they bright (straight up)  
Clap it break that back  
She just made a stack  
Niggas in that trap  
Still totin' them straps  
If you make it where I'm from  
It's like a lone star in the sky that's all black  
A menage a trios with black dikes  
Damn that's the new civil rights (straight up)  
Accidentally walked in the club  
All these bitches bite  
Told my mama fuck a major  
Best decision of my life (straight up)  
Now niggas in the corridor  
I'm velvet down to my corduroys  
Got bottles by the cases  
Pussy by different races

[Hook x4]

[Verse 2]

Purp in my itch palms, red lips six inches long  
Took her like a hooker now come get your Shaun  
I left her outside, I left her mouth dry  
Feed her to the mountain lions, cause that bitch try  
countin' mine  
Pussy, nigga yous a pussy nigga just a pussy nigga

You be doushinâ' I be pushinâ' ether  
Bitch, you fuck boy cunt  
Wont be satisfied until I see yaâ'll sufferinâ' in the sun  
Chiefinâ' while Iâ'm beefinâ' turn me odds to evens  
My lawyers are some heathens beat it  
Blowinâ' on some on reefers  
If you didnâ't want to w... then why youâ'd wage it  
then?  
I only wear jeans, I could fit a gage up in  
Iâ'm so high right now look like major pan  
Amazing, junkie jit came up major in  
Trench team, ten dip, red beam, laser tag  
Bring it, what you got police and pistols don't phase  
your man

[Hook x2]

[Verse 3]

Look up at my eyes and I know you see a bad guy  
Try to front on us, man you better ask them last guys  
Suicide doors pull up when we ride by  
Goon niggas hop with guns fuck a drive by  
Smokinâ' weed on the jet, bitch Iâ'm fly hgh  
You donâ't wanna give me neck? bitch it's bye bye  
On to the next bitch, I hope she buy buy  
Cause I love brickses they love bitches they love  
bitches  
Fuckinâ' on they friends and I love fuckinâ' on they  
sisters  
Bad bitches roll my swishers, God damn I'm that nigga  
Smokin on that reefer thinkin how can I get richer?  
Damn shawty bad like the old Detroit Pistons  
Damn I wanna fuck when I hit Iâ'm gettinâ' Misses  
Treat her like shit man it's fuck a bitch feelings  
Money stacked tall man it's touchin my ceiling  
Money stacked tall man it's touchin my ceiling

[Hook]

[Verse 4]

Holy moly  
All them niggas dead  
All them pussies fed  
Let em live? meh  
Young owl in the dark  
Thought heâ'd make it, never  
Do you hate cause they know  
Iâ'mma be here forever (straight up)  
Never fuck with the black and blue  
Duck cause a nigga might shoot  
Shocked what a nigga might do

Young nigga blessed like a nigga AH-CHOO (bless up)  
In the Mo they smokin' raw diesel  
Evil Knievel whip pullin off in the dust (skurrt! skurrt! )  
Throwin' flame rocks when a bitch might jerk (straight  
up)  
Bouncin' this bitch like it tennis  
Vitches still eatin at Denny's  
Hotels phones I'm talkin that business  
Came up with the ones that was with me  
Beside nigga, you niggas forside me  
She off shoe with that Snooki  
Don't fall in love with that pussy (straight up)  
I had to get her right, that pussy changed my life  
(straight up)
