She said it's hard to believe every Word that he's tellin' her,

But she Wants to, cause she Wants him tonight,  
Cause she's been  
Done Wrong each and every time,  
She just Wants a guy Who's gonna treat her right.

Babygirl the things you do to me, like When You Smile,  
You make my heart go boom boom boom  
Boom boom boom, boom Wow,  
And it's So hard to really tell you how I feel about you,  
Girl,  
You're like my drug that I can't give up,  
I get Withdrawls Without you,  
And I know you've been through Some things  
In your past relationships,  
But don't you stress no more cause a broken heart can  
always be fixed,

And When you need me the most cause you ain't got  
nobody else,  
I will hold you close and let you know that you'll never  
be by yourself,  
And babygirl I will be there for you, do anything you  
Want me to,  
I'm that type of guy that ain't gon' leave ya side,  
Travizzle gon' treat you right.

She said it's hard to believe every word that he's telling her,

But she wants to cause she wants him tonight,  
Cause she's been  
Done wrong each and every time,  
She just wants a guy who's gonna treat her right.

I know it's hard to believe every word that comes out of  
my mouth baby,

But I swear that I care, that's why I'm still here baby,

I ain't tryin' to spit game, I'm just tryin' to tell ya just  
how I feel girl,  
Maybe We can be together forever,

Cause I can tell from the look in your eyes that you  
need this type of guy up in your life,

And babygirl I know you feel the same way too,  
Like all the things that we could do for you to want me  
even more tonight,

I can feel your body callin' this, like 413-4556,  
Hit me up anytime you want some lovin',  
Cause your're amazing in every way, uh-huh,  
So damn amazing that words can't even explain to ya,  
And I'm sure that you done heard this all before but I  
just had to let you know.

She said it's hard to believe every word that he's telling  
her,

But she wants to cause she wants him tonight,  
Cause she's been  
Done wrong each and every time,  
She just wants a guy who's gonna treat her right.

She said it's hard to believe every word that he's telling  
her,

But she wants to cause she wants him tonight,  
Cause she's been  
Done wrong each and every time,  
She just wants a guy who's gonna treat her right.
