[Bad Azz - Chorus]

Damn man the block done got worst, we crying
everyday out here
The value of the dollar getting messed, what type of
medicine they got for this stress?
Hell yeah they'll send you in war but the mother fuckers
won't defend you in court!
They'll kill you for defending your life, what good it
make to try to fight for your right?
We be dying just trying to live better, good Lord what's
it gonna take to get better?

blocks
Selling rocks to blacks is hot, shots occur and murders
pop
Lock the niggaz up and call the immigration truck
Kill two birds with one pluck and not a face seen once
Fuck em' cuz' they want us all planted in dirt
I'm getting mines cuz' it's "Hard Timez on Planet Earth"
