If I fall short, if I don't make the grades/  
If your expectations aren't met in me today/  
There is always tomorrow, or tomorrow night/  
Hang in there baby, sooner or later/  
I know ill get it right,

Please, don't give up on me/  
Oh please don't give up on me/  
I know its late, late in the game/  
But my feelings, my true feelings/  
Haven't changed/  
Here in my heart/

I know, I know I was wrong, wrong wrong, wrong,  
wrong, wrong/  
I'd like to make a mends for the love that I never, ever,  
ever, ever shown/  
Just don't give up on me, every word is true/

I'll give you my everything, all of my love, all of my love,  
all of my love love love/  
Just don't give up on me/  
Oh please, please, please/  
Don't give up on me.

I don't want you to/  
I know its late, but wait, please, please, please, please/  
Don't give up on me/  
Promise, will you promise, will you promise me/  
Please don't give up on me/

We can make it if we try/  
I'm gonna hold on, hold on with me/  
And don't give up on me, oh-ooh, -oohohoooh -baby/  
Oh baby, Oh baby, please, don't-give-up-on-me/  
Whatever you do, we gonna make it, gonna make it  
through/  
Don't you give up on me, please, please, please....  
Promise me/  
Don't-give-up-on-me.
