"Only Love"

I'm only loaning out my lips

Loaning out my arms

Giving it all I've got

Doing myself harm

(CHORUS)

Only love can save me now

Only love can save me now

Only love, only love, only love

Only love can save me now

I'm always loaning out my time

All my nights and days

Running from pillar to post

But I find it never pays

(CHORUS)

There's got to be someone for me

Somewhere under the sun

You share true love

A real, real true love

That's no sad said and done

Well, I'll stop loaning up my lips

Drips that don't respond

Loaning out my love

To lovers that move on

(CHORUS)

(Only love can save me now)

Oh, somebody

(Only love can save me now)

I need, need somebody

(Only love, only love

Only love, only love)

To save me now, yes, sir
