I was a fool  
i told a lie  
i did you wrong  
i made you cry

so now i'm walking all alone  
down the darkest street in town  
standing in the rain  
while my tears keep falling down

i'm soul searching  
how could i say goodbye to you?  
i'm soul searching  
i made you cry  
how could i leave  
somebody like you  
how could i do all the silly things  
that i do  
wht makes me try the way i do  
act a fool the way i do  
i need you so bad baby  
won't you come back to me?

i'm soul searching  
but nobody like my baby  
i keep soul searching  
it's driving me crazy  
why  
did i ever say goodbye  
i must be outta my mind  
i keep walking and looking for a sign  
i gotta be crazy baby  
to ever let you go  
i keep looking for a sign

oh why  
do i get all the bad breaks  
how could i make  
such stupid mistakes  
but the truth won't come to me  
no matter how i wreck my brain

the rain keeps falling down  
and i keep calling out your name

i'm soul searching
