If you love somebody enough you'll follow wherever
they go

That's how I got to Memphis, that's how I got to
Memphis

If you love somebody enough you'll go where your
heart wants to go

That's how I got to Memphis, that's how I got to
Memphis

I know if you'd seen her you'd tell me 'cause you are
my friend

I've got to find her and find out the trouble she's in

If you tell me that she's not here I'll follow the trail of
her tears

That's how I got to Memphis, that's how I got to
Memphis

She would get mad and she used to say

That she'd come back to Memphis someday

That's how I got to Memphis, that's how I got to
Memphis

I haven't eaten a bite or slept for three days and nights

That's how I got to Memphis, that's how I got to
Memphis

I've got to find her and tell her that I love her so

I'll never rest 'til I find out why she had to go

Thank you for your precious time, forgive me if I start
to cry and

That's how I got to Memphis, that's how I got to
Memphis

That's how I got to Memphis, that's how I got to
Memphis

That's how I got to Memphis, that's how I got to
Memphis

That's how I got to Memphis
