You can look but you can't touch  
I don't think I like you much  
Heaven knows what a girl can do  
Heaven knows what you've got to prove

I fall down just to give you a thrill  
Prop me up with another pill  
If I should fail, if I should fold  
I nailed my faith to the sticking pole

I think I'm paranoid  
Manipulated  
I think I'm paranoid  
Uncomplicated

Bend me break me  
Anyway you need me  
As long as I want you baby it's alright  
Bend me break me  
Anyway you need me  
As long as I want you baby it's alright

Steal me, deal me, anyway you heal me  
Maim me, tame me, you can never change me  
Love me, like me, come ahead and fight me  
Please me, tease me, go ahead and leave me
